

## INTERIOR AWARDS

Interior designers are creative, imaginative and artistic. They also need to be disciplined, organized and skilled business people. Combining knowledge with aesthetic vision, interior designers work with clients and other design professionals to develop design solutions that are safe, functional, attractive and meet the needs of the people using the space.

IAD Awards 2010 gives opportunity to all professional & non professional interior designers working in their specific field of interior designing to show their designing qualities at national & international levels.

IAD Awards 2010 committee Invites entries in different interior designing categories for their participation in 3rd annual IAD Awards.
